NO. 42.

Cattle Sales in Powell.

Caswell Prewitt, of Montgomery county, was here yesterday and bought of R. W. Garrett 25 head of steers averaging 1,068 pounds, paying \$3.60 for twenty of the best cattle and \$3.25 for the other five head. He also bought several head of same size steers from Chas. Welch at \$3.1, and bought of C. W. Barnett some 800 lb heifers at 2 1/2 cents.

If the Farmer Struck.

Suppose the farmers of this country should decide to stop the plow and hang up the hoe for a year, what would be the result? Misers may hoard their money and create a panic, the miners may go out on a strike and produce a coal famine; the manufacturer may close his factory and cut short the supply of some important article of commerce, the oil king may plug the oil wells of the United States and of the world, and in spite of all these calamities the people would find a way to get along. But let the farmers of this country go on a strike for a year and see what would happen.—Winchester Democrat.

Dunlay's Speech at Irvine.

G. W. Dunlay in his speech here yesterday justified the acts of Caleb Powers and others acting with him at Frankfort on the occasion of the assassination of Senator Goebel and the forcible prevention by the militia and mob of the meeting of the Gen-

eral Assembly, and declared that the first act of Belknap if elected ought to be to pardon Powers. He then modified to some extent this extreme position by declaring that these acts were technically wrong, but said he could not blame the parties committing them. It is regrettable that some of the audience approved these sentiments.—Irvine Herald.

Two Republican Candidates.

In the Montgomery judicial district, L. W. Rose, of Rowan county, will go under the Log Cabin for Circuit Judge in some of the counties, and Judge Clark will go under the Republican device in other counties. It is a mandate of the law that in each county the clerk shall give the first petitioner the Republican device, and it seems that Clark beat Rose with his petition in some of the counties while Rose succeeded in the others, hence the confusion. This will divide the vote and insure the election of Allie Young, the Democratic nominee. The Republicans held no convention in this district, and it was their intention to not put up a candidate.

Mrs. J. W. Williams is in the city this week making her selection of fall millinery and general supply of goods for her store at this place.

Election drawing near at hand.

Two Indians Dead.

Two of the famous Nebraska Indian base ball team that played here July 3th, and 5th are dead. One of them was killed dead in the game, a ball striking him in the upper region of the chest. The other one died a natural death from typhoid fever.

Hospital For Winchester.

A movement is on foot to get a hospital located at Winchester. The two hospitals at Lexington are now running over with patients and an institution of this kind at Winchester would be of great convenience to the people in this part of the State.

Speaking at Stanton.

Hons. John E. Cooper and W. A. Young, two noted Democratic campaign orators, will address the people of Powell county at the Court House in Stanton, Ky., Wednesday, Oct. 21st. They should be given a large hearing, as they will relate some circumstances and facts that will interest every voter in the county. Don't forget the day—next Wednesday.

Broke Into His House.

S. Le Quinn, of Cavendish, Vt., was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and now he's entirely cured. They're guaranteed to cure; 25c at Swann-Day Lbr. Co's. store.

A True Gentleman.

Mr. Jeff Stone, one of Richmond's oldest and best known carpenters and contractors, is an exception. He recently told a Climax reporter that in all the years of his life he had never tasted whiskey or other intoxicants, had never used tobacco in any form and never in his life used an oath and never danced a step. It would be hard to find many who can say as much.

Mr. Stone is a true Kentucky gentleman, hailing from old Estill county, and is a dyed in the wool Democrat.—Richmond Climax.

Decline in the Hog Market.

With a crash like that of 1893 the Chicago hog market broke a few days ago and prices fell from forty to sixty cents in one day. Within a week prices fell off from seventy cents to \$1 according to grade hogs, and the condition of the market was said to be worse than any time since 1892.

It was the direct result of the closing of the lard and ribs corner operated by Swift & Co. In cleaning up that deal it was necessary to hold up the high prices which have prevailed in the past year. During that time hogs sold as high as \$8 and ranged between that price and \$6. Now, it is the intention, it is declared, to put the market on a firm \$4.50 basis. This means a heavy loss to farmers and shippers and is another lesson that the trusts fix prices to suit themselves regardless of the result to the producer or consumer.—Winchester Democrat.

Mr. Powell, the last contractor who undertook the moving of the Waldron store building has done no work on the job for nearly two weeks, and it is rumored that he has thrown up the sponge.

Killing in Estill.

A special from Irvine Monday says:

"At a party on Ross creek this county, Alex. Stephens was shot and killed, it is alleged, by Dan Rader. Both boys were drinking, it is claimed, and sharp words passed between them, but it was thought the disturbance was quieted. Stephens got his lantern and started for home, when, it is alleged, Rader exclaimed: 'Halt!' and fired, the bullet smashing the lantern and entering Stephens' right side, coming out near the spinal column. Rader made his escape, but officers are in pursuit. Both young men were about nineteen years old."

C. Shimfessel is in Cincinnati this week buying his fall stock of goods.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and Bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by Swann-Day Lbr. Co. Trial bottles free.

First Traction Engine in Clay City.

The first traction engine that ever made the trip from Clay City to Spout Spring, left this place Monday morning in charge of Engineers J. H. Burgher at the throttle and N. R. Swope at the Pilot wheel. Mr. S. E. Kinnaird, general manager of the Mutual Handle Co., accompanied them as far as Plum Creek. To those who had never before seen a traction engine on the road it was quite a curiosity.

The engine is to furnish power for one of the several bolting mills the Mutual Handle Co. is to put in at different places as noted in last week's issue of the Times. This one will be located on J. F. McKinney's farm near Spout Spring.

Elder Albert Easter made a business trip up Station Camp Creek, Estill county, last week.

A Love Letter.

Would not interest you if you're looking for a guaranteed Salve for Sores, Burns or Piles. Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best Salve on earth. 25c at Swann-Day Lbr. Co's. store."

A Record Beater.

Possibly the largest litter of pigs ever born to one sow is that reported on the farm of a Fulton county farmer. The sow gave birth to 17 pigs, the largest number on record in Kentucky. The pigs are all healthy and well formed. Ten is the number of the average litter.

John W. Holtzman, Democrat, was elected Mayor of Indianapolis Tuesday, defeating Charles Bookwalter, the Republican incumbent, by about 1,000 votes.

Confession of a Priest.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years." If you want a reliable medicine for Liver and Kidney trouble, stomach disorder or general debility, get Electric Bitters. It's Guaranteed by Swann-Day Lumber Co. Only 50c.

Farm For Sale.

Ninety acres of good land well improved, at Lilly's Ferry, one mile west of Spout Spring. Well watered, fine orchard, good dwelling of six rooms and all necessary outbuildings. Good neighborhood and other conveniences. Will sell at a bargain. ALLEN OSBORN, Spout Spring, Ky.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

Ahead in Flour?

Well, we should say so! So far ahead that our

Best Patent and Mountain Lily

have become standard brands. There are hundreds of flours to choose from, but the housewives know that MANSFIELD'S is the best. It is milled from the very best wheat on an up-to-date roller mill, run by water power. It is white and has the natural taste and flavor of the wheat berry. That is why we are ahead in flour.

Buy it from your grocer. No greater cost, but much greater value.

SPOUT SPRING.

Our farmers are all busy cutting corn which is lighter this fall than usual.

Mr. and Mrs. T. S. McKinney returned yesterday from a two-weeks visit to relatives at Hudson, Illinois.

George Gravett and wife, of Montgomery county, are visiting the latter's parents, Mr. and Mrs. Jack Stephens near this place.

Elder B. F. Wright and Asa Todd are visiting the former's son, Jeff Wright, and the latter's sister, Mrs. J. W. Barnett at Butler, Mo.

Mrs. Mary Ellen Allbright, of Knoble, Arkansas, who has been visiting her brother David White, and sister, Mrs. Bill Edge and other relatives near this place, started Monday morning for her home.

The Democrats of Estill and Powell, failing to nominate a candidate for Representative at Irvine last Saturday, will meet at this place the coming Saturday, Oct. 17th and make the nomination.

The new bolting machine of the Mutual Handle Company, of Clay City, has arrived and is being set up for operation on Jas. F. McKinney's farm where they have bought a quantity of hickory timber.

Spout Spring now has a fresh meat market. Mr. H. F. Christopher kills a beef on every Thursday, and the supply will be increased to equal the growing demand for his choice fresh meats. On with all other necessities.

Mrs. Nancy Crow, widow of Nathan Crow, deceased, died on Silver Creek, Madison county, Wednesday morning, October 7. The remains were brought home and buried at the family burial ground Thursday afternoon by the side of her husband who preceded her in death but a few years ago.

Miss Mary Burgher, of Locknane, Clark county, who has been on an extended visit to relatives in this community, returned home Monday accompanied by her grandmother, Mrs. Elizabeth Burgher, who will visit her children in the bluegrass county for a few weeks.

ANNOUNCEMENTS.

FOR REPRESENTATIVE.

We are authorized to announce ALBERT EASTER, of Powell county, candidate for Representative of the 33rd Legislative district composed of Estill and Powell counties, subject to the action of the Democratic party.

We are authorized to announce O. H. MACKEY, of Powell county, candidate for Representative of the 33rd Legislative district composed of Powell and Estill counties, subject to the action of the Democratic party.

FOR STATE SENATOR.

We are authorized to announce F. A. LYONS, of Lee county, a candidate for State Senator in the 29th Senatorial district composed of the counties of Madison, Estill, Lee and Powell, subject to the action of the Democratic party.

Papers at Second-Hand.

"Nov. 1, '03" is the label on the Louisville Herald which is now going free to every Democrat in the State whose address can be obtained, while the Republicans must pay the Doctor. For some time the Democratic traitors have helped themselves at the Republican pie counter, always being given the preference at the first table while the time-worn and gray haired loyalists must stand and watch the good things as they are devoured by their new brethren and snap at the crumbs as they fall, now they see Democrats, irrespective of traitors, furnished every week with their choice journal and bible free of cost. Hard on them, but arrangements have been made with the favored party to furnish the Republicans their paper second hand at half price. Call on any Democrat while at the postoffice for his mail and he can supply you.

No Soldiers to Interfere.

The Republican papers in dealing out consolation to their readers on account of the registration in Kentucky cities which show large Democratic gains, say that the Republicans carried Louisville four years ago when the city registered Democratic. Yes, this is true, but it will not do that this year, for there is no Republican Governor at Frankfort to send soldiers down there to intimidate 7,000 Democratic voters like was done by Bradley four years ago. Every body knows that the Republican vote didn't gain any in Louisville over the registration at that time and that the Democratic vote fell short of the registration, and all of this on account of the soldiers being sent there by Gov. Bradley to guard the polls.

Now, then boys, up and at them the decks are cleared for action. At last Democracy is its old, old self, united and untrified, sound to the core—stripped to the waist—no surrender—no pretender—never to falter and never betray

—but, along the whole line, from one end of the State to the other, this loud refrain, Home Rule, Free Trade and Reign of Law; no man on horseback at Washington, or on muleback at Frankfort; Kentucky for the Kentuckians, despite alike the Federal officeholders and the Fungus Negro vote, the world, the flesh, His Satanic Majesty and the Belknap barrel!—Courier-Journal.

The Democratic municipal ticket has two candidates from each of the recognized divisions of the city, and each section of the town will be equally represented in the Council when they are elected to office. If the Republican ticket should be elected—but such a thing is not in the least probable—after Jan. 1, the eastern portion of town which contains only about one-sixth of the population, will have four members in the Council and all the rest of the town will have but three. Had you thought of that?

The Republicans of this Legislative district met at Irvine last Wednesday and nominated R. A. Smethers, of Estill county, for Representative. Mr. Smethers being an honest man, declined to accept the nomination thereby endorsing the nefarious acts and deeds of the Republican party of the State. The party will meet again Saturday and look up a less conscientious candidate. Mr. Smethers is, perhaps, the only Republican in the two counties that could have won.

In this issue of the TIMES will be found the formal announcement of F. A. Lyons, of Lee county, for State Senator in this the 29th district, subject to the action of the Democratic party. Mr. Lyons is a true blue Democrat, a popular gentleman, would make a good official and is the man that can beat Major Burnam with ease. Nominating convention at Irvine the 16th.

Estill county continues to produce Statesmen along with her other products. The latest accession to politics from Estill is Hon. Durrett White, who last week was named as Councilmanic nominee on the Democratic city ticket at Clay City, Powell county. Such men as he are worthy of any honor. Upright, able, fearless, educated, he will be an ornament and aid to the community that honors him.—Richmond Climax.

The Democrats of Estill and Powell counties met in convention at Irvine last Saturday and failed in their purpose, to put up a nominee for Representative in the Legislative district composed of the two counties. They will hold another convention Saturday, this time at Spout Spring where they will put up the candidate that will win in November.

It is now only eighteen days until the election. After that date Belknap and his gang will be snowed under and rather quiet, at least in the political world. Poor "Business" Belknap will then have to go to shipping guns South as wagons to recuperate his \$25,000 campaign fund.

There is not one of the Democratic nominees for Council but what will respect and speak to any and every citizen of the town. Nor is there one of them so ill-bred as to stand in the Council Chamber and swear like a sailor.

The Republicans of this Sena-

torial district met in convention at Irvine last Wednesday and nominated C. F. Burnam, of Richmond for State Senator.

Cured

At 70 of Heart Disease Contracted

During Civil War—
Veteran Grateful.

Dr. Miles' Heart Cure
Effected Cure.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil war I contracted heart disease, and in 1866, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, also the Nervine and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began in earnest and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity."—J. L. SLAUGHTER, Salem, Va.

Some Cattle Sales.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of of these diseases to result in pneumonia and that it is pleasant and safe to take. For sale by all dealers in patent medicine.

A Better Outlook.

Ideal fall weather has prevailed the past week. Water for man and beast has been replenished by the rains of last week, and every thing is greatly revived. Grass is growing some, but of course it is too late in the fall to furnish much grazing. Corn cutting and sorghum making is progressing rapidly with the farmer during the beautiful weather.

Do Good—It Pays.

A Chicago man has observed that, "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures I know it for it has helped me out many a time." Sold by all dealers in patent medicine.

Only tried and honest value shoes are here. Always best for the price. Shoes for men, shoes for women, shoes for boys and girls, school shoes and dress-up. The prices are right as well as the shoes. Call and see for yourself. Mrs. J. W. Williams.

Our physicians will all attend the meeting of the Kentucky Valley Medical Association which will be held at Stanton today and tomorrow.

Only a Very Few Published.

It is impossible for the proprietors to publish more than a very few of the numerous letters received in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy and telling of its remarkable cures. They come from every walk in life and from every state in the Union. The following from Mr. T. W. Greathouse, of Prattsburg, Ga., speaks for itself: "I would have been dead now but for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me of chronic diarrhoea after seven years of suffering. I can never say too much in praise of that remedy." For sale by all dealers in patent medicine.

Second Crop of Apples.

Geo. W. Clark was in town Thursday and exhibited an Early Harvest apple, which is the second crop this year. The tree which is on his place on Hardwick's Creek was full of choice fruit and ripened the first of July, and the second crop is now ripe and in all, there is probably three bushels on the tree. Mr. Clark has on his place another apple tree now in full bloom. Mr. Clark also noted and reminded us that that day, Thursday Oct. 8th, was his birthday and he was 56 years old.

Ran a Ten Penny Nail Through His Hand.

While opening a box, J. C. Mount of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by all dealers in patent medicine.

Gained Forty Pounds in Thirty Days.

For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds of flesh. He is now fully recovered. We have a good trade on the Tablets.—HOLLEY Bros., Merchants, Long Branch, Mo. For sale by all dealers in patent medicine.

HEALTH

"I don't think we could keep house without Theford's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a doctor in the house for that length of time. It is a doctor in itself and always ready to make a person well and happy."—JAMES HALL, Jacksonville, Ill.

Because this great medicine relieves stomach pains, frees the constipated bowels and invigorates the torpid liver and weakened kidneys

No DOCTOR

is necessary in the home where Theford's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Theford's Black-Draught cures biliousness, dyspepsia, colds, chills and fever, bad blood, headaches, diarrhoea, constipation, colic and almost every other ailment because the stomach, bowels, liver and kidneys so nearly control the health.

NOVEMBER NUMBER

New Idea Woman's Magazine.

The Thanksgiving number of the **NEW IDEA WOMAN'S MAGAZINE** offers a Table of Contents which is a typical feast of plenty. Prominent among the good things provided may be mentioned an article upon "The President's New Church," by Walden Fawcett; Chestnut Dainties for the Thanksgiving Table," by Eleanor Merchant; "Henrietta Crozman in 'As You Like It,'" by Mrs. Wilson Woodrow; "Catering," the third paper in a series of "Profitable Industries for Women," by Sarah E. Slater; and a good list of other readable and interesting things from the pens and brushes of well-known contributors. In fact, every number that appears is an improvement on its predecessor, maintaining a high order of excellence.

Equal to the Government.

Col. Belknap's statement that it is the policy of the Republican party to collect in taxes only what it expends is but a half statement. It is the policy of the Republican party to collect in taxes what it expends, but it expends as much upon itself as it does upon the Government.—*Courier-Journal.*

There's Life and Strength in Every Drop.
A scientific combination of the essential constituents of PRIME BEEF and PURE OLD MALT.

Louisville, Ky., January 22, 1903.
MEAT & MALT CO., Louisville, Ky.
Gentlemen—Having examined your Meat and Malt preparation, and being thoroughly acquainted with its composition and mode of manufacture, I can state that it is an efficient nerve and blood tonic. It excites the appetite and invigorates digestion, and is especially beneficial in nervous prostration and all diseases attended with debility. Yours truly,
L. D. KASTENBINE, M. D.,

MEAT & MALT CO., Louisville, Ky.

Irvine, Ky., Sept. 14, 1903.

It has been reported throughout the county by some unknown persons that I and my friends were against Jas. A. Wallace, the Republican nominee for clerk of the Estill Circuit Court. I want to say to the Republican voters of Estill county that I am for Jas. A. Wallace, the nominee, and will vote for him and do all in my power to elect him, and I now ask all my friends to do the same, as it would be injustice to me for my friends to do otherwise, and I ask that this statement be published to the world to show how I stand in the matter.
